Hair Removal seminar “Mystery Revealed”

Dissolve the mystery and discover the real deal!

Did you know that when we are born, we have around 1000 follicles per centimeter? And, that it takes 4 to 8 weeks for a follicle to grow hair after tweezing or waxing?

Join us for a seminar and learn about:

- Hair growth cycles
- Difference between Hair Removal methods
- Why hair keeps growing after Waxing, Shaving, IPL, and Laser Treatments.
- How we can remove the Hair Permanently
- Tips for successful Electrolysis Treatment
- And more...

Enter for you chance to win a \$100 Gift Certificate towards any services at Sonata Spa, Enjoy the Door Prizes, Tea and Refreshments
